

U.S. National Phase Application of International Application PCT/CZ2004/000090
International Filing Date: 23 December 2004
Preliminary Amendment

Amendments to the Specification

An Abstract is provided on the attached sheet as an appendix, taken from the Abstract appearing on International Publication No. WO 2005/071256, and amended as required by Rule 1.72.

Please delete the underlining appearing in the headings as follows:

- Technical Field -- at page 1, line 3;
- Background Art -- at page 1, line 11;
- Disclosure of Invention -- at page 2, line 17;
- Brief Description of the Drawings -- at page 3, line 18; and
- Modes for Carrying Out the Invention -- at page 3, line 28.
